

Nº1

NUMBER 1 DIGITAL MARKETING

YOU'RE OFFICIALLY ONBOARDED

WELCOME ABOARD.

Thank you for choosing Number 1 Digital Marketing.

Onboarding is complete. Access is granted. Your AI marketing engine officially starts right now. We're already deep in your accounts, mapping the strategy, and setting up your custom workflows.

Here's what happens next.

THE NEXT 90 DAYS

Your Roadmap.

DAYS 1–14

STRATEGY & AUDIT

Deep dive into your accounts, traffic, conversion funnel, and competition. We audit everything, identify the leaks, and present your custom 90-day roadmap on day 14.

DAYS 15–45

BUILD & DEPLOY

We build your AI agents, automations, and content engines. Lead qualifier goes live. Email sequences launch. Tracking gets cleaned up. You start seeing data flow.

DAYS 46–90

OPTIMIZE & SCALE

Weekly performance reviews. Iteration on what's working, killing what isn't. By day 90 you'll have a self-sustaining AI marketing engine and clear data on ROI.

HOW WE'LL COMMUNICATE

Always-on, never overwhelming.

→ Slack channel

Your dedicated #number1-[yourcompany] channel — for quick questions, async updates, file sharing. Expect responses within 4 business hours.

→ Weekly strategy syncs

30-minute video call every week. Same time, same link. We review wins, flag risks, and align on the week ahead.

→ Monthly performance reports

Delivered the first Monday of every month. Real numbers, real insights, real next steps.

→ Emergency line

For anything urgent: hello@number1digitalmarketing.com with subject "URGENT". Avg response time: under 1 hour.

FIRST THING'S FIRST
